KEY FINDINGS

- Listed on eBay 7 times between 2020-12-05 and 2020-12-31 with 63,000 miles, asking/bid prices \$6,150–\$12,500.
- Appeared on 4 salvage/export auction sites (2024-05-09 to 2024-07-12), most recently salvageautosauction.com in Coconut Creek, FL. That pattern usually means the car was salvaged or sold for export.
- Not currently listed for sale on any source we monitor (as of report date).

Compiled from major listing sites, dealer inventory and online auctions we scan via licensed data. Private sales (Facebook Marketplace, Craigslist) and some sites may not appear. "Salvage/export" flags are based on the type of site the car appeared on, not title records; this is not a title or accident history report. Car Hound is independent and not affiliated with any listed site.
